

In Jesus
2 Corinthians 5:16-21 – September 28, 2025
David Leach

Loving, life-giving people, bringing hope and healing *in Jesus*.

What does it mean to be “in Jesus?” (John 15:4-5)

In Jesus:

1. We see people differently (Love) – v. 16

2. We are made new (Healing) – v. 17

3. Our debt is paid (Hope) – v. 19

4. We have purpose (Life-giving) – v. 20

Today’s wounds are tomorrow’s scars if we remain in Jesus.

Your scars are proof to the world that there is hope and healing *in Jesus!*
