

Refocus #5
Surrendered Living
Ephesians 2:8-10 / February 4, 2024
Zach Thompson

Who God is and what he has done shapes who we are and who we are becoming.

Who are we becoming?

- The body of Christ
- A body who does life with one another
- A body whose members are each fully surrendered to being shaped and sent by God

FAITH = TRUST = SURRENDER

**Becoming God's workmanship assumes a surrendered life
(Philippians 2:5-8)**

**Personal transformation happens in the midst of surrendered living
(Romans 12:1-2; Matthew 16:21-25)**

- When we surrender all of ourselves, we find God can use every bit of it.
(1 Timothy 1:15-16)
- God's work in and through us is more about letting go than taking charge

The challenge for our church (Mark 10:21-22; 1 Peter 4:8-11)

- _____ surrender
- _____ surrender
- _____ surrender
