Contemporary Craziness

- Turkey vs Turkeys
- The antidote to contemporary craziness is a full diet of Christ (Colossians 1:24-2:15)

Toxic Diets

- Peddlers of false hopes
- Delude and deceive
- Until souls are captured and churches crumble

Full diet of Christ makes lesser things less appetizing

- The Incarnate and Triumphant Christ

Escape the captivity of contemporary craziness by choosing your soul over your screen first and last thing every day.

A deep appetite for communion overwhelms the shallow cravings of consumption.
