I wholeheartedly believe Nehemiah chapter 3 is God's answer, and the answer is a resounding YES! The God who sees. The God who hears. Thank you God that you are a God who puts Nehemiah chapter 3 in your Holy Book! The human stories that fill these pages. The names. Successes and failures. All this refrigerator art 😊

As we read, note the cadence of the way Nehemiah writes:

- Repaired . . . Repaired
- Next to him after him

Our own Chapter 3

Masterpiece Community

- Different Genders
- Different Ages
- Different Occupations
- Different Social Position

Who does God use?

- Available people -- "Grab a Trowel"
- People who embrace the WHY (Sheep Gate = Sacrifice = Access).

In God's Masterpiece Community ordinary people accomplish eternal things that none of them could have done alone.

It's not all that PUZZLING
