Stories of Forgiveness

Sweet Forgiveness

Bitter Unforgiveness

WARNING, not a threat

*** Today, as we talk about forgiveness, please hear this clearly: following Jesus does not mean staying in relationships where you are being abused or put in danger. If you are experiencing physical, sexual, or emotional harm, the kingdom way is to seek safety and help including involving trusted people, counselors, and law enforcement when necessary. May the presence of the Holy Spirit, the grace of our Lord Jesus, and the loyal love of our Heavenly Father accompany all of us on this long and winding journey towards wholeness.
