**THERE YOU ARE, PETER**

We forget who we are. We forget who God is.  
But Jesus still brings hope + healing—and calls us to bring it too.

**WHAT IS HOPE + HEALING?**

**Hope** is trusting that God is still working—even when we can't see it.  
**Healing** is God putting the pieces back together so wholeness replaces what was broken.

**FIVE WAYS JESUS BROUGHT HOPE + HEALING**

*John 4:4-30, 39-42 NIV*

1. **Jesus Crossed Barriers** (vv. 4-6)  
He went where others wouldn't—to meet someone others overlooked.
  
2. **Jesus Engaged in Conversation** (vv. 7-9)  
He opened the door with a question, not a lecture.
  
3. **Jesus Spoke to Deeper Needs** (vv. 10-15)  
She came for water. He offered life.
  
4. **Jesus Named the Wound** (vv. 16-18)  
Not to shame—but to set her free.
  
5. **Jesus Offered Presence More Than Place** (vv. 19-26)  
Worship isn't a location—it's a life centered in Jesus.

**THE WOMAN BECAME A BRINGER**

She left her jar behind... and shared her story.  
You don't need to be perfect—just present.  
Even worshipers and doubters were sent (Matthew 28:17-20).

*Romans 10:14-15 NIV*

*Be a Bringer.*
