A CINDERELLA STORY

The Hoosiers...Cignetti...James + the Christian life

James 5:13-20 NLT

BRING YOUR WHOLE LIFE TO GOD (v. 13-15)

Suffering → Pray

Joy → Praise

Weakness → Invite others in

God is present... and He hears

GOD OFTEN WORKS THROUGH PEOPLE (v. 14-16)

Don't do life alone—call people in

Elders = shepherds who care for souls

Confession leads to healing

Healing doesn't happen in hiding; it happens in honesty

GOD HEARS + MOVES THROUGH PEOPLE LIKE US (v. 16-18)

Elijah was human—just like us!

Our humanity is not an excuse—it's where God meets us

Not about rain → about the reign of God

God is over all of life—not just part of it

Consider the humanity of Jesus and what that means for us.

GOD WORKS THROUGH US FOR OTHERS (v. 19-20)

People drift—don't ignore it

Everyone needs a someone.

Anyone can become that someone!

Two Questions of Response:

What do I need to bring to God?

Who do I need to go after?
